3/25: NO AFTERCARE

3/28-4/1: SPRING BREAK

## IT'S A SMALL WORLD

### SCHOOL THEME SPOTLIGHT

February was a full and exciting month! With Valentine's Day, a long weekend holiday, and fun with Dr. Seuss, we stayed busy and learned a lot! Our celebration of Dr. Seuss continues for one more week as the 3s prepare a special Dr. Seuss themed breakfast for their manners breakfast this Wednesday and everyone gets to participate in fun dress up days to celebrate Dr. Seuss' birthday!

Our March theme is "It's a Small World." Classes will read stories from all around the world and learn about different cultures through their stories. Ms. Macey will even be teaching songs in different languages during music class!

## SPRING MUSIC PROGRAM

MARCH 17, 2022

Students in 3K through 5K will perform a very special St. Patrick's themed music program on March 17, 2022. The program will take place in the church sanctuary at 5:00 in the evening. Following the program, we will have a cookies and punch reception in the Memorial Garden (just outside the church). A sign-up genius link will be sent out soon for anyone who is able to provide cookies and other items for the reception.

Students should be dropped off at their classroom no later than 4:50 on the night of the 17th. At that time, you may go find a seat in the sanctuary.

Ms. Macey has been working hard with the children to put on this special program. They can't wait to share their songs with all of you.

## ARTWORK FUNDRAISER

COMING SOON!

In February your children worked on some very special art projects, which were then sent off to Kids Kreations, a company that puts artwork onto all sorts of items like bags, mousepads, canvases, and much more. Soon, you will receive a free sticker sheet with your child's artwork and information on how you can purchase items online with the artwork on it. A good portion of the proceeds are given to AEK, which we will use towards upgrades to our preschool building this summer. Sample items are on the table just outside of my office and in the downstairs foyer of the preschool. Feel free to stop by and see some samples. Sticker sheets should be coming home soon.

## CALLING ALL HANDY VOLUNTEERS!

SUMMER WORKDAY AT AEK

It is time for AEK to have some upgrades so that the look of our classrooms and facilities match the excellent academic program we provide for our children. Hallways, bathrooms, and classrooms need to be painted, the playhouse on our playground needs some love, and we have some minor maintenance repairs that need to be taken care of. We will have an AEK "beutification" day on Saturday, June 4th from 9:00-4:00. We welcome any help for any amount of time you are available. If you can come for the whole day or just an hour, we will have a project available for you! We can't wait to pour some love into our school!
